## RIGVIR®

First oncolytic virotherapy

RIGVIR® INDICATIONS SAFETY RESEARCH AVAILABILITY LOGIN

Delivery Home / Delivery

RIGVIR® is approved in Latvia (an EU member state), Georgia and Armenia and is available in pharmacies with a doctor's prescription.

Patients abroad can purchase RIGVIR® from the manufacturer's authorized partner "Medserviceagency.eu" Ltd. Delivery is usually completed within a few days.

Patients or their relatives may transport the medicine themselves after obtaining the respective medical and customs documentation. If transported by air, the medicine should be placed in the luggage compartment. The medicine must always be transported frozen. For a longer trip it is recommended to use dry ice as a cooling agent. The optimal storage temperature is -20°C.

Remember that it is necessary to obtain a certified virotherapy oncologist's recommendation and prescription before you order the medicine.

Beware of counterfeit medicine and purchase RIGVIR® only through the authorized distributor, "Medserviceagency.eu" Ltd.

Please report any suspicious medication purchases at [rigvir@rigvir.com](mailto:rigvir@rigvir.com)
