</table>
Procedure: Completing the BIOHAZARD Label

In the Accumulation Start Date field, write the date that waste accumulation begins.

**NOTE:** This waste stream must be collected by HMM within 60 days of the start accumulation date.

Procedure: Preparing Biohazardous Sharps Waste for Collection

1. Collect the waste in properly labeled sharps containers.
2. Close the container.
3. Request waste collection from HMM using one of the following methods:
   - Call HMM at (734) 763-4568
   - Complete the online Waste and Supply Request form
