Closing Comments:

Routine inspection conducted by Nonda Mihas, Jennifer Nord, Ellie Holmes, and Andrew Yang (EHS) at football game vs. Wisconsin (see attached game day report with violation numbers).

Follow up is needed to reinspect any priority/priority foundation violations that were not addressed/corrected at the time of routine inspection. All priority/priority foundation items have been highlighted in yellow on the attached game day report. Core violations should be addressed/corrected in a timely manner, which will be reinspected at the next routine inspection.
