This Facility was inspected by Nonda Mihas, a representative from University of Michigan, on 4/26/2024 to determine the level of compliance with the Michigan Food Law, P.A. 92 of 2000, as amended.

Closing Comments:

2024-2025 food service establishment license was given to PIC at the time of routine inspection.

Establishment is only selling prepackaged non-PH/TCS foods and beverages at this time with the exception of Barry's Bagels sandwiches that are delivered every Wednesday and Friday and held below 41 degrees F in refrigeration unit. Establishment adds their own date marking sticker to each Barry's Bagel sandwich with a consumption/discard date no greater than 6 days from production date. PIC stated that they are in the process of cleaning basement kitchen in order to process honey (from bee hives located on the property) in that space, which would then be sold to consumers on premise. It was determined that EHS will need to inspect the establishment again prior to any honey processing/sales.

No violations observed.

UM EH&S is now listing routine inspection reports for all campus food establishments on-line. Reports can be viewed at <http://ehs.umich.edu/campus-life-safety/food-safety/inspections/>
