This Facility was inspected by Jennifer Nord, a representative from University of Michigan, on 04/29/2026 to determine the level of compliance with the Michigan Food Law, P.A. 92 of 2000, as amended.

Closing Comments:

Joint routine inspection conducted by Jennifer Nord and Ellie Holmes. This report was emailed on April 29, 2026.

Person in charge and inspectors discussed the formulation of a plan to ensure this establishment complies with Section 4-204.111 of the 2009 Michigan Modified Food Code, Vending Machines, Automatic Shutoff. This discussion will continue upon the confirmation of the University's pouring rights contract, which may impact solutions for compliance.

Person in charge and inspectors noted a malodorous smell that is suspected to be caused by dried P-trap drain(s) within the rarely-used kitchen space that is adjacent to this establishment. Recommend that water is periodically added to the drains to prevent this odor and prevent pests from entering the facility.
