08/17/2026

8/5/2026 Only sanitizers that are approved for use in a food service establishments shall be used.

Observed no readily available food-contact sanitizer in the kitchen cabinets and the cleaning supply closet. Observed scented 'Perk Disinfecting Wipes' in the storage closet.

Correct immediately by utilizing a food contact sanitizer that is approved for use in food service areas. Do not use the 'Perk Disinfecting Wipes' for sanitizing food contact surfaces as it is scented and not approved for that use (as instructed on the label).

8/17/2026 CORRECTED. Facility is utilizing food contact sanitizer that is approved for use in food service areas. Food contact surfaces wipes and quaternary ammonium are readily available to properly sanitize food contact items and areas.
